

Leica Geosystems Heerbrugg Switzerland

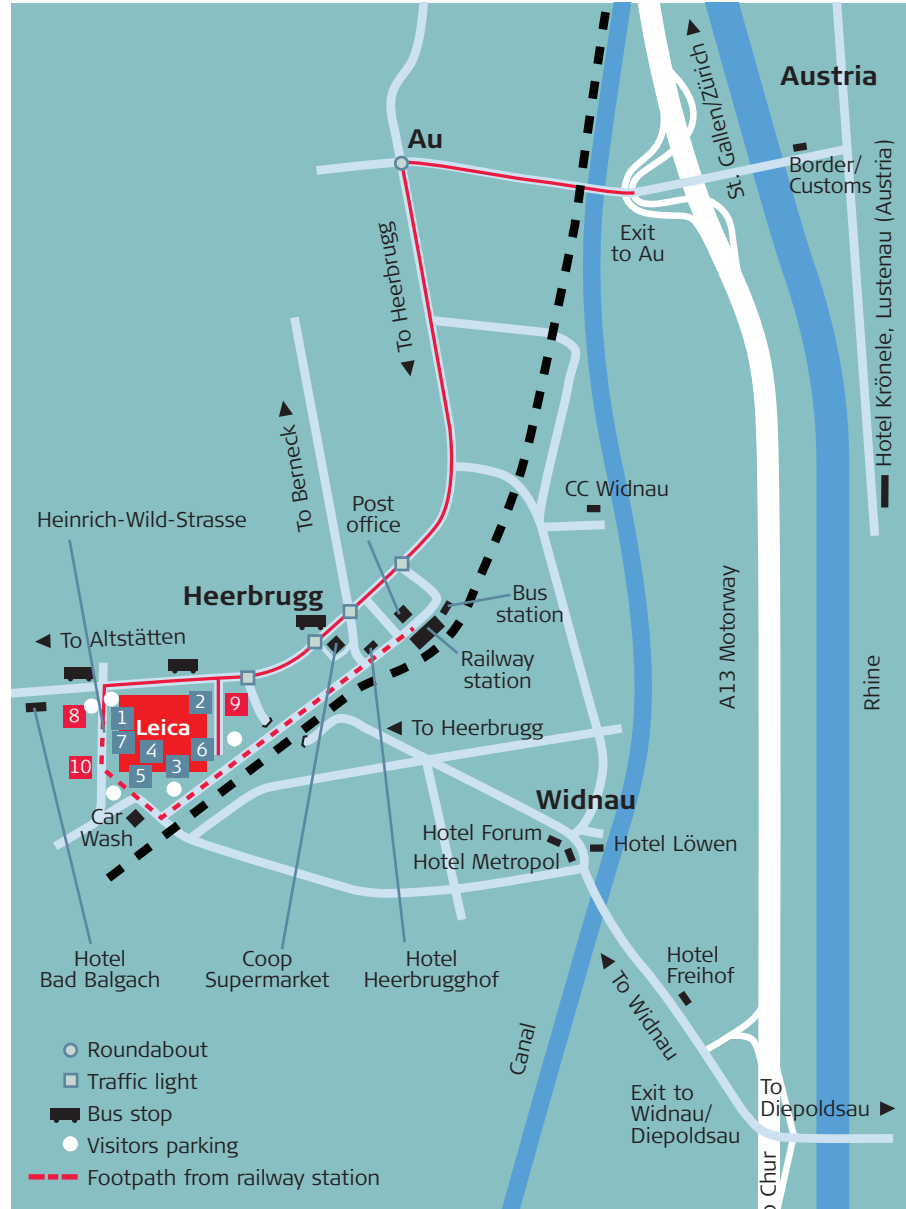

From the Airport in Zürich to Leica Geosystems in Heerbrugg (SG):

...by car

- From the airport in Zürich, follow the green & white highway signs to the A 1 highway towards Zurich - Winterthur - St. Gallen.
- Remain on the A1 highway in St. Gallen and following the signs to the A 13, towards St. Margrethen - Chur.
- After approximately 110 km (1h15 min drive) from the airport, leave the highway at exit Au, Lustenau.
- At the end of the exit, turn to the right towards Au / Berneck.
- Take the third exit at the roundabout towards Heerbrugg.
- There are 4 traffic lights between there and the headoffices of Leica Geosystems, still approximately 3,5 km away.
- At the fourth traffic light, you will have reached the other end of Heerbrugg and the premises of Leica Geosystems will be on your left.
- Drive on and 300 m after the sign designating the village of Balgach, turn left into the Heinrich-Wild-Strasse on the far end of the Leica Geosystem premises..
- The parking lot for visitors is located directly in front of the reception building of Leica Geosystems (1) (first building on the left) (Please remember that there is an annual permit to be paid for using the highways in Switzerland. All cars using the highways must have the paid permit or "vignette" glued on their windshields)

...by train

- Allow at least 30 minutes between arrival of the plane and the departure of the train.
- Follow signs to the train station (Bahnhof) below the airport.
- Buy a ticket to Heerbrugg (CHF 64.00 return).
- Trains leave Platform 2 at 22 and 52 minutes past each hour heading towards St Gallen.
- In St Gallen, take the train heading towards Rorschach, St Margrethen, Heerbrugg.
- Traveling time to Heerbrugg is approximately 1h50 min.
- Check with SBB http://www.sbb.ch/index_e.htm for further timetable information.
